

# Sofie, A Song For Emily

she's really really nicely  
treating me not a loser baby  
she wants me to be my bestfriend  
but she does want it to end  
but i don't care i've been anticipated  
she doesn't want to see herself rejected  
she want it to be straight A's  
she has everything she say  
I said...

all you people listen to this song  
this is all how you get along  
be the one who's lately  
making the things unhately  
this girl is really friendly  
why can't you accept me  
a song for emily  
the girl next door

she's really really perky  
but there's nothing to do for that  
doesn't care what she wears  
longsleeve and a hat  
she's been trying to hate you  
but you don't know what to do  
if that's hell true

all you people listen to this song  
this is all how you get along  
be the one who's lately  
making the things unhately  
this girl is really friendly  
why can't you accept me  
a song for emily  
the girl next door  
all you people listen to this song  
this is all how you get along  
be the one who's lately  
making the things unhately  
this girl is really friendly  
why can't you accept me  
a song for emily  
the girl next door

[spoken on the "phone"]
