

Sofie, Bye Bye Boyfriend

I've been lying,
to keep you from this pain
Now your cryin,
And to know that I'm to blame
And I'll miss you
But its over now

I'm so sorry,
that it had to be this way
Please don't hate me,
but there's nothing you can say
To change my mind
I've got to go
The guy that I fell for
He wanted more and more

Bye bye boyfriend
Its time that I be o'n my way
Bye bye boyfriend
I used to like the way you'd say
Baby back it up,
Lay down and work
It was fun but it couldn't last forever
Bye bye pretty boy,
It's time to pack it up
Baby 'cause its over now

Let me tell you how it was when we started off
The tattoo's and your lip pierced and right sound that you used to rock
Now baby everything you do and say is messed up
Things have changed, down is up we're outta luck

And Baby I'm sorry
That it had to be this way
Please dont hate me, but there's nothing you can say
To change my mind
The guy that I fell for
He wanted more and more

Bye bye boyfriend
Its time that I be o'n my way
Bye bye boyfriend
I used to like the way you'd say
Baby back it up,
Lay down and work
It was fun but it couldn't last forever
Bye bye pretty boy,
It's time to pack it up
Baby 'cause its over now

You never put the effort in to the things that really counted
A word here, and a kiss there
Could change the way its turning out
You work so hard at all the things I never cared about
How hands work & fingers moving, Eyes Wide Shut

And baby I'm lonely
Though your right in front of me
You controlled me
That was the girl I used to be
I'm not myself
Well its over now
The guy that I fell for
He wanted more and more

Bye bye boyfriend
Its time that I'd be o'n my way
Bye bye boyfriend
I used to like the way you'd say
Baby back it up,
Lay down and work
It was fun but it couldn't last forever
Bye bye pretty boy,
It's time to pack it up
Baby 'cause its over now

I'm packin up,
Baby cause it's over now

Pretty pretty pretty pretty boyfriend,
C'mon
c'mon
c'mon
c'mon
Baby back it up
Lay down and work
It was fun but it couldnt last forever
Bye bye pretty boy
It's time to pack it up
Baby 'cause it's over now
