

# Soft Cell, Say Hello Wave Goodbye

Standing in the door of the Pink Flamingo  
Crying in the rain  
It was a kind of so so love  
And I'm going to make sure it never  
Happens again  
You and I  
It had to be  
The standing joke of the year  
You were a sleep around  
A lost and found  
And not for me I fear  
I tried to make it work  
You in a cocktail skirt  
And me in a suit  
(Well it just wasn't me)  
You're used to wearing less  
And now your life's a mess  
So insecure you see  
I put up with all the scenes  
And this is one scene  
That's going to be played my way  
Take your hands off me  
I don't belong to you, you see  
Take a look at my face  
For the last time  
I never knew you  
You never knew me  
Say hello goodbye  
Say hello wave goodbye  
Under the deep red light  
I can see the makeup sliding down  
Hey little girl you will always make up  
So take off that unbecoming frown  
What about me- well  
I'll find someone  
That's not going cheap in the sales  
A nice little housewife  
Who'll give me a steady life  
And won't keep going off the rails  
Take your hands off me  
I don't belong to you, you see  
Take a look at my face  
For the last time  
I never knew you  
You never knew me  
Say hello goodbye  
Say hello wave goodbye  
We've been involved  
For quite a while now  
And to keep you secret has been hell  
We're strangers meeting for the first time, okay?  
Just smile and say hello  
Say hello then wave goodbye  
Say hello then wave goodbye (x3)  
Say hello wave goodbye  
Say hello then wave goodbye  
Say hello say goodbye  
Goodbye  
Say goodbye  
Say goodbye  
Goodbye...
