

# Soilwork, Spirits Of The Future Sun

Total oblivion of my inner past. Will i ever be the same again  
Landscapes of treasures before my eyes  
Now its over forget the past

(Chorus)  
Spirits...of the...future sun  
Spirits of the future sun!!

Legal lies and desperate cries I cannot see  
I'm on my own self destructive and the anguish of youth  
Futures rising in your mind!

(Repeat Chorus)  
Your spirits wait for me in vain! I won't fall!

Sun burns red on the innocent child  
Twisted rules by incommon souls computerized  
Pathetic lies the lights are out... Here comes the war!

(Repeat Chorus)  
Your spirits wait for me in vain! i wont fall! (x2)

(Repeat First Verse)  
(Chorus)
