## SoKo, Destruction Of The Disgusting Ugly Hate

Scars on my heart Can't you see What have you done to me Scars on my arms, can't you see Where I am sinking

Destruction of the disgusting ugly hate Destruction of the disgusting ugly hate Destruction of the disgusting ugly hate

I got a tattoo on my heart Your name is written in black You have tattoos everywhere But my name is not there

Destruction of the disgusting ugly hate Destruction of the disgusting ugly hate Destruction of the disgusting ugly hate

I got tears on my cheeks Rolling faster than a rocket-ship You stare at me You do nothing Now burning-man please wake up and burn me

Destruction of the disgusting ugly hate Destruction of the disgusting ugly hate Destruction of the disgusting ugly hate

And now you're leaving
But can't you see
What have you done to me?
You're leaving me but can't you see
Where I am sinking
