

Soldout, I Don't Want To Have Sex With You

I don't want to have sex with you
... at all

So many times
You wake up at night
Thinking of them
Hanging around
Maybe you're scared
When you go out
Nobody sees and nobody sees
Crying outside
When nobody sees
Keeping you warm
Your fingers scratching
Dirt on your face
Your knees on the ground
Nobody sees, nobody sees

I don't want to have sex with you
... at all

Running out of
Your scary nightmares
Don't you want to
Understand
Did you hear me
When I told you
I don't want to have sex with you

Running out of
Your scary nightmares
Don't you want to
Understand
Did you hear me
When I told you

I don't want to have sex with you
... at all
