

# Solefald, The Macho Vehicle

sex from backyards - porches  
out - into chambers - arenas  
parliaments of men  
broadcasted boys

we fell off the macho vehicle  
as batons from the scientific rev  
lost their bastille in paris 68

paternity dyed red  
world pornography fall

no floor for the colossus  
no divine divan  
- on words to rest -

no more soil  
sown with peasant lies  
burden carried by  
one
