Solex, Randy Costanza

He's got a generous Smattering of charm yes Maybe some day He's able to

Spot me a mile Away

He said with a grin to show
He was kidding so and so
What to do do do
What to do do do
I'm confused tu tu tu
Nothing new tu tu tu
Tu tu tu tu tu tu tu

Made great faces and frowns Standing there naked with His cute undies Every weekend Undies in both his Hands

He said with a grin to show
He was kidding so and so
What to do do do
What to do do do
I'm confused tu tu tu
Nothing new tu tu tu
Tu tu tu tu tu tu tu

Well I stood with my back To that old kitchen rack He said: "I'm bad" Well I wish I Had a response to That

He said with a grin to show
He was kidding so and so
What to do do do
What to do do do
I'm confused tu tu tu
Nothing new tu tu tu
Tu tu tu tu tu tu tu
