

# Sometimes Never, Skin On Skin

Here we stand the thin line  
Trying to enjoy this time  
I hope you keep on balancing  
So you don't slip and fall in  
Still we're dancing hand in hand  
Watching the hourglasses' sand  
How much longer can we last  
Before you start to feel it

I won't open up and swallow but I'll taste  
You can't stay here till tomorrow, just today

You can call it what you wish  
But it's merely skin on skin  
Though it feels like we're floating  
It's just an illusion  
We're both winning at this game  
Cause we love to play pretend  
Tell me how you love me so  
Then we'll laugh about it

Here it goes, you start to slip  
Try to reach but in too deep  
I turn around and walk away  
As your screaming for me  
Cause I won't let you pull me in  
And I won't let these feelings win  
I hoped it wouldn't end this way  
But you were infected
