

Son Lux, Weapons

Put down all your weapons
Let me in through your open wounds

Put down all your weapons
Let me in through your open wounds

Let me in through your open wounds

Put down all your weapons
Let me in through your open wounds

Put down all your weapons
Let me in through your open wounds

Let me in through your open wounds

open wounds
open wounds
open wounds
open

Put down all your weapons
Let me in through your open wounds
