Sonata Arctica, Fade To Black

Life, it seems, will fade away Drifting further every day Getting lost within myself Nothing matters, no one else

I have lost the will to live Simply nothing more to give There is nothing more for me Need the end to set me free

Things not what they used to be Missing one inside of me Deathly lost, this can't be real Cannot stand this hell I feel

Emptiness is filling me
To the point of agony
Growing darkness taking dawn
I was me, but now he's gone

No one but me can save myself, but it's too late Now I can't think, think why I should even try

Yesterday seems as though it never existed Death greets me warm, now I will just say goodbye
