

Song Parodies, The Max Rebo Band (Billy Joel -

(copyright Steven Cavanagh 1993-2002)

It's nine o'clock down at Jabba's place
the regular crowd waddles in
there's a wierd thing sitting next to me
it has three eyes and mottled grey skin.

Fett says Max can you play me a memory
I'm not really sure how it goes
but it's haunting and sweet and if you miss a beat
this carbine will blow off your nose.

La la la, de de da
La da de de da, da dum..

Sing us a song now, Max Rebo Band
sing us a song tonight
'cause we're all in the mood for a melody
except Solo, who's in carbonite.

Now Jabba the Hutt is a friend of mine
he gives me my life for free
And because he's a Hutt, why, we all kiss his butt
or the rancor will have us for tea.

He said "Bo Shuda, offom da Tukatti!"
as he stuffed a frog into his face
but we don't know a woid, 'cause he shot the talkdroid
So we'll smile and nod, just in case.

Sing us a song now, Max Rebo Band
sing us a song tonight
'cause we're all in the mood for a melody

except Solo, who's in carbonite.

Sy Snootles is our favourite vocalist

her face, it ain't launching no ships.

Don't know why it behove her to go kiss a hoover
but that's how she got those wierd lips.

A Gammorean guard is headbutting bricks
as another one gnaws on a bone
and I don't know which has less intelligence
either those two big thugs or the stone.

Oh, La la la da, de de da

La la de de da, da dum..

Sing us a song now, Max Rebo Band

sing us a song tonight

'cause we're all in the mood for a melody
except Solo, who's in carbonite.

It's a pretty good crowd, here at Jabba's place

it's a killing, that's why we're all here

we'll sail over the dune to the pit of Carkoon
and we'll toss someone in with a cheer.

'Cause we've got a new droid on the pedestal

and a man in black's come in the door

he just pointed a gun over Salicious Crumb
and then promptly fell through the floor.

Oh, La la la da, de de da

La la de de da, da dum..

Sing us a song now, Max Rebo Band
sing us a song tonight
for the last of the Jedi is down below
and the rancor is gripping him tight
