Better The Devil You Know

(Dean Collinson / Red)

It's better the devil, devil, yeah, yeah, yeah

It's better the devil, devil, yeah, yeah, yeah

Baby, don't do things that make me blue

You know my love is always true

Baby, don't do things that make me cry

I just can't seem to sleep at night

You know I love him every day

It breaks my heart when he goes away

Better the devil you know than the devil you don't

I'll give you my heart and my soul if you give me your love

Better the devil you know than the devil you don't

I tell him that I love him most every day

I'm out of my head, I don't know what to say

He never plays around like the other guys do

He's got the key to my heart and my love is true

You know I love him every day

It breaks my heart when he goes away

Better the devil you know than the devil you don't

I'll give you my heart and my soul if you give me your love

Oh no, don't tell me lies boy

Oh no, don't make me cry

Oh no, don't tell me lies boy

Oh no, don't say goodbye

Better the devil, better the devil

Better the devil you know than the devil you don't

You know I love him every day

It breaks my heart when he goes away, when he goes away

Better the devil you know than the devil you don't

I'll give you my heart and my soul if you give me your love

Better the devil you know than the devil you don't

I'll give you my heart and my soul if you give me your love

Better the devil, better the devil

Better the devil you know than the devil you don't

I'll give you my heart and my soul if you give me your love

I'll give you my heart, oh baby
