## Sonic Youth, Addicted To Love

The lights are on, but you're not home Your mind is not your own Your heart sweats, your body shakes Another kiss is what it takes You can't sleep, you can't eat There's no doubt you're in deep Your throat is tight, you can't breathe Another kiss is all you need

You'd like to think
That you're immune to the stuff, oh yeah
It's closer to the truth to say you can't get enough
Gonna have to face it, you're addicted to love

Your tongue is tied, you can't breathe You're runnin' at a different speed Your heart beats in double time Another kiss and you'll be mine A one track mind You can't be saved Oblivion is all you crave If there is some for you You don't mind if you do

You'd like to think
That you're immune to the stuff, oh yeah
It's closer to the truth to say you can't get enough
Gonna have to face it, you're addicted to love

Might as well face it, you're addicted to love Might as well face it, you're addicted to love Might as well face it, you're addicted to love Might as well face it, you're addicted to love Might as well face it, you're addicted to love

The lights are on, but you're not home Your will is not your own Your heart sweats, your teeth grind Another kiss and you'll be mine

You'd like to think
That you're immune to the stuff, oh yeah
It's closer to the truth to say you can't get enough
Face it, you're addicted to love

Might as well face it, you're addicted to love Might as well face it, you're addicted to love Might as well face it, you're addicted to love Might as well face it, you're addicted to love Might as well face it, you're addicted to love Might as well face it, you're addicted to love
