

# Sonic Youth, Androgynous Mind

Hey sad angel walks, and he talks like a girl  
Out trying to think why it stinks, he's not a girl  
Now he's kicked in the gut, they fucked him up, just enough  
They got me down on my knees, I kiss his ring, God is love

Androgynous mind, androgynous mind  
Androgynous mind, androgynous mind  
Androgynous mind, androgynous mind

Hey hey are you gay? are you God?  
My brain's a bomb, to turn you on  
Everything is all right  
God is gay, and you were right

Androgynous mind, androgynous mind  
Androgynous mind, androgynous mind  
Androgynous mind, androgynous mind

Hey hey it's okay, hey hey it's okay (x4)  
Hey hey it's okay, hey it's okay (x5)  
Hey hey it's okay, hey hey it's okay (x6)  
Aaaaaaaawwwwooooooowwwaaaaaaoo

To free yr mind  
Whose side are you on?  
Like a bomb, yr free tonite

Androgynous mind, androgynous mind
