

Sonic Youth, New Hampshire

Trace paper fly onward
Trace paper fly onward
Wake? city's too high
City skew high-upt (?)

Kill us your scumbag youths
Kill us your scumbag youths
Youths

Johnny winter
Johnny winter no-show
B.B. King just turns on

The New Hampshire boys
Steve and Joe
They're gonna be on?
They're doin' it for life
On my girly gut? who has
Decimated love with that?
With one hypertonic
Melt the lead on (?)
Lead-on?
