

Sonic Youth, Six For New Time

And...
This one...
And...
This one...
And...

And...

This one...

This one...

The queen approaches her throne
Wind over water
Hell's Angels in a pink van
Escape

Our thoughts
Our time
Time...
Being...
Being...

Escape from concentration
The king comes to have a hope
One sound fills the sky
One sound...
One sound...
One sound...

This one...
And...
This one...
And...
This one...
And...
This one...
And...
This one...

Good fortune...
No time...
Time...
Being...

Good fortune...
No time...

Time...
Being...
