

# Sonic Youth, Six For New Time

And...  
This one...  
And...  
This one...  
And...

And...

This one...

This one...

The queen approaches her throne  
Wind over water  
Hell's Angels in a pink van  
Escape

Our thoughts  
Our time  
Time...  
Being...  
Being...

Escape from concentration  
The king comes to have a hope  
One sound fills the sky  
One sound...  
One sound...  
One sound...

This one...  
And...  
This one...  
And...  
This one...  
And...  
This one...  
And...  
This one...

Good fortune...  
No time...  
Time...  
Being...

Good fortune...  
No time...

Time...  
Being...
