

SONICFLOOD, All I've Failed To Be

God above, I'm in awe
Of Your perfect love
Humbly I come to Your throne
of grace
For a taste of You

Jesus Christ, I'm in awe
Of Your sacrifice
Holy I stand in Your presence here
I am near to You

I'm praying Lord break me
I'm praying Lord take me
I'm praying Lord make me
All I've failed to be

God above, I'm in awe
Of Your perfect love
Humbly I come to Your throne
of grace
For a taste of You

Jesus Christ, I'm in awe
Of Your sacrifice
Holy I stand in Your presence here
I am near to You

When all around is falling out
When I forget what I'm about
Sometimes the best that I can do
Is to desire to desire You

Break my heart, take me Lord
Make me whole
I need You
God above
