

# Sonny & Cher, I Hate To Sleep Alone

You were the only thing I had  
How could a good love go so bad?  
Somehow I guess I should have known  
That you would leave me here alone

They say you found somebody new  
But that won't change my love for you  
How could you leave me on my own?  
You know I hate to sleep alone

Remember how it used to be(used to be)  
When you were here with me(here with me)  
You were the only one I've known  
And how I hate to sleep alone

Someday, some way, somebody new  
Will make you feel the way that I do  
But I just wish that you'd come home  
You know I hate to sleep alone

But I just wish that you'd come home  
You know that I hate to sleep alone
