

# Sonny & Cher, More Today Than Yesterday

I don't remember what day it was  
I didn't notice what time it was  
All I know is that  
I fell in love with you  
And if all my dreams come true  
I'll be spending time with you

Everyday is a new day  
In love with you  
Everything comes a new way  
In love with you  
Every time I kiss your lips  
My mind starts to wonder  
And if all my dreams come true  
I'll be spending time with you

[Chorus:]  
I love you more today than yesterday  
One night (one night)  
Have as much as tomorrow  
Oh I love you more today than yesterday  
Oh darling (oh darling)  
Not as much as tomorrow

Tomorrow means spring time  
Is just one, one, one day a way  
But we don't need you now  
Be on your way  
I thank the Lord for a love like ours  
It grows ever fonder  
If all my dreams come true  
I'll be spending time with you

[Chorus]

Every day a new day  
Every time I love ya  
Every day a new day  
Every time I love ya  
Every day a new day  
Every time I love ya
