

# Sonny & Cher, Trust Me

Trust me, all you got to do is trust me  
All you gotta know is everywhere I go  
Everything I do, I do it just for you  
So trust me, trust me  
Cause I need you more  
Then I ever needed you before

Hey my friend  
I don't know where you are  
But I'll be there  
I'll help you find your star  
There's not a face  
Can take your place by far  
So hey my friend  
I'm always where you are  
Hey my friend  
You know I like your style  
So I think I'll hang around for awhile  
And I don't mean just a year or two  
So I'll just spend my life, friend, loving you

There are a million things I'd like to be  
Like sailing a ship across a stormy sea  
A captain so brave  
He's feared by all his crew  
That's what I'll be  
How about you

I like to ride upon a merry-go-round  
And be all dressed up  
Just like a circus clown  
I'd hold up a hula-hoop  
And you'd jump through  
That's what I'll be  
How about you

There are a million things I'd like to be  
Like sailing a ship across a stormy sea  
A captain so brave  
He's feared by all his crew  
That's what I'll be  
How about you
