Mission crush I'm first opponents'll stay plush
Get rushed quick when I inject illegal substance
What's this, off brand nigga you get chopped up
Tossed and turned, nigga burn you learn
That these suckers is get'n wound up like ultra perm
Spine crack thru yo back now that's yo concern
Wit that 9 in my pocket and at least a Grand
You can't break territory, you can't stop the man
And order cup, beware the bite last shark it's the
Chef cookin' up yo death match pipe this up
Heavyweighted, keep baited, so you bite this up

Fuck a mundane, you look around it's Da Pound
What ya found hundred of bodies all over the ground
From the touch, I squeezed it bring it into a clutch
Yo mouth shut, slap thru a tension
