

Sophia, Woman

woman, you're a whore
but at least you're a happy whore
and woman, is it easy to forget
that you really destroyed me
and now, I don't think I'll ever be the same
no the worst thing about this pain is it comes from my understanding

and woman, is it easy to forget
and woman, is it easy to forget
that you destroyed me

and now, I don't think I'll ever be the same
no the worst thing about this pain is it comes from my understanding

but woman, is it easy to forget
and woman, is it easy to forget
woman you're a whore
