

# Sophie Ellis-Bextor, Move This Mountain

What do you want from me, I stand before you  
No attempt to leave, I'm too tired to disagree  
I stand before you no chance  
I'll believe this warning, oh do you know  
I would have done anything for you, take this chance  
I won't repeat this, I can do anything that's  
Put beside of you and I can move any mountains that you make  
I'll lift you up and my back will never break  
And I can move this mountain  
Come and take the rest of me I never thought  
I wouldn't want you near, this is all I'll ever be  
I understand you, look around to see this dawning  
Oh, does it show, I wanted to catch you falling  
Oh, do you know, I would have done anything for you  
Take this chance I won't repeat this  
I can do anything that's put beside you  
And I can move any mountains that you make, I'll lift you up  
And my back will never break and I can move this mountain
