

Sophie Ellis-Bextor, One Way Or Another

One way or another
I'm gonna find you,
I'm gonna get yer, get yer, get yer, get yer.
One way or another
I'm gonna win you,
I'm gonna get yer, get yer, get yer, get yer.
One way or another
I'm gonna see you,
I wanna meet you, meet you, meet you, meet you
One day, maybe next week,
I'm gonna meet you.
I'll meet you, meet you...

I will drive past your house
And if the lights are all out
I'll see who's around.

One way or another
I'm gonna find you,
I'm gonna get yer, get yer, get yer, get yer.
One way or another
I'm gonna win you,
I'll get you, I'll get you.
One way or another
I'm gonna see you,
I gonna meet you, meet you, meet you, meet you
One day, maybe next week,
I'm gonna meet you.
I'll meet you, oh...

And if the lights are all out
I'll follow your bus down town,
See who's hanging out.

One way or another
I'm gonna lose you,
I'm gonna give you the slip.
A slip on the hip
Or another
I'm gonna lose you, I'm gonna trick you, I'll trick you.
One way or another
I'm gonna lose you,
I wanna trick you, trick you, trick you, trick you.
One way or another
I'm gonna lose you, I'm gonna give you the slip.

I walk down the mall
Stand over by the wall
Where I can see it all,
Find out who to call.
Lead you to
The supermarket checkout
The specials in the rack,
You can get lost in the crack.

One way or another.
(Stand over by the wall where I can see it all.)
One way or another.
(Where I can see it all, find out who to call.)
One way or another.
(Stand over by the wall where I can see it all.)
One way or another.

(Where I can see it all, find out who to call.)
One way or another.
(Stand over by the wall where I can see it all.)
One way or another.
(Where I can see it all, find out who to call.)
