

# Sophie Ellis-Bextor, Sparkle

I'm only offering you love tonight  
I'm only offering you this for life  
I'm only answering your call tonight  
I'm only answering your lust for life  
Believe me, you're the only one  
Believe me, you're the only one  
Sparkle in my mind  
Sparkle in my mind  
It's always every single thing to me  
It's always every single fantasy  
It's always inescapable to me  
It's always inescapable to see  
Believe me, you're the only one  
Believe me, you're the only one  
Sparkle in my mind  
Sparkle in my mind
