

# Sophie Zelmani, Grand As Loving

Maybe hurting  
Is as grand as loving  
So grand you can't  
Escape nowhere

As it's giving  
Wounds are taking  
Hard though to tell  
What that'd might be  
I can just close my eyes  
And let you stand outside

Maybe favours  
Can be disguised and  
Disasters what lighten up  
A better way

So maybe hurting  
Is as grand as loving  
Maybe hurting  
Is as grand as loving
