

# Sophie Zelmani, People

I can wake up to a bad day  
I know how to go from there  
But you  
I can't handle  
It's not that you're not welcome  
You're amazing in my eyes  
It's me that change too much  
around you  
You are one of those people  
I can think of a million reasons  
and times when I should  
shut my mouth  
But I feel like a fool  
around you  
You are one of those people  
that just ain't good for everyone  
I have nothing against you people  
But I don't like what I become  
We will never know each other  
It's not much to cry about  
But why I get so strange around you  
might be something to work out
