

# Sophie Zelmani, Yeah, okey

Darkness, if I'm gonna spend  
All my time with you  
You've got to be my friend  
If I wanna be all alone with you  
I've got to feel your hand  
And whenever we see light outside  
We've got to let it in  
And we must spare  
A room for love, you know  
If it'd ever find its way in  
Yeah? Okey. Yeah? Okey.  
And tell me then what I can do for you  
Since I'll be yours most of the time  
I won't be in the way you know  
I've got things on my mind  
Yeah? Okey. Yeah? Okey.  
I'll take the walks with you  
I'll have the talks with you  
Just save me from my crazy mind  
Yeah? Okey. Yeah? Okey.  
And darkness, I want you to tell me  
You can never be hurt  
I go to be somewhere, you know  
With no one to desert  
Yeah? Okey. Yeah? Okey.  
Yeah? Okey. Yeah? Okey
