

# Sopiz, Wish I Never

I know I'm not for you  
I know I'm not for you  
I know I'm not for you  
I know I'm not for you  
All this time  
You've been lying to me  
Lying to me  
And the feeling was too bad  
And all of those years  
I've been thinkin' about our relationship  
(thinkin about our relationship)  
Will we exist  
Or will it just be a dream  
(will it just be a dream)  
Oh how I wish  
I wish I never saw you at all  
If I only knew that  
I would only fall for you

Then

[Chorus:]

I wish I never saw you then  
I wish I never met you when  
I wish I never asked for more when  
I know I'm not for you  
(I know I'm not for you)  
I wish I never let you close  
I wish I never let you in  
But it's too late  
I wish I never fell for you  
I know it's too late  
I'm already lost in you  
So please tell me  
(please tell me)  
How could I blame you  
How could I forget you  
How could I make you see  
That I need you  
More and more each day  
When I only knew that  
I would only fall for you

Then

[Chorus:]

I wish I never saw you then  
I wish I never met you when  
I wish I never asked for more when  
I know I'm not for you  
(I know I'm not for you)  
I wish I never let you close  
I wish I never let you in  
But it's too late  
I wish I never fell for you  
It's not easy  
It's not easy  
Falling  
Falling  
It's not easy  
It's not easy  
It's not easy

[2nd Chorus:]

I wish I never saw you then  
I wish I never met you when  
I wish I never asked for more when  
I know I'm not for you  
(I know I'm not for you)

I wish I never let you close  
I wish I never let you in  
But it's too late  
[3rd Chorus:]  
I wish I never saw you then  
I wish I never met you when  
I wish I never asked for more cause'  
I know I'm not for you  
(I know I'm not for you)  
I wish I never let you close  
I wish I never let you in  
But it's too late  
I know I'm not for you  
I know I'm not for you
