

Sopor Aeternus, Saturn Devouring His Children

We know the secret reason, the reason for his parricide the silent and illusive try to stop the fleeting

Burying the children in a hurry, secretly within the tomb, in the gentle safety ... of his own belly, where

Fear ... this is the secret name, driving force and motivation for his attempt to stop the wheel; yes, s
I, your child, bury myself within your body eagerly, forbidden taste, never admitted, driven by the gl
