## Soul Asylum, Can't Even Tell

I may never get what I want But I'm happy just to die trying And I hope I ain't done nobody wrong But I miss you smiling And I'm looking for a cure cause I'm bored to tears And I'm stuck in here, stuck out here, stuck in here We lived through another day It's a good excuse to celebrate Take a number knock on wood We'll find a reason to feel good I know you know I wanna know how I feel I can't even tell (3) No one knows nothing about me I'm guessing I'll just keep 'em guessing No one sees what I see This is my blessing And I'm looking for a way to get out of here Get me out of here, out of here, out of here We lived through another day It's a good excuse to celebrate Take a number knock on wood Find a reason to feel good I know you know you wanna know how I feel I can't even tell (3) I'm out of here, out of here, out of here I know you know I want to know how I feel I can't tell I know you know I'll tell you if it's real It sounded like a bell I can't even tell I can't even tell
