

# Soul Coughing, How Many Cans?

Is you am a dog,  
is you gotta dog?  
Is you am a dog,  
oh hold close the jaw.

Is you am a dog,  
is you gotta dog?  
Is you am a dog.

How many cans must I stack up  
to wash you out from my mind  
outta my consciousness?  
How many times must I cash out  
to bring you back the check  
fat offa my slenderness.

She says, &quot;yeah, but he's not in right now&quot;  
you pause, you like her answer.

You know that but you go on  
You know but that you go on,  
You know that but you go on, on.

You know that but you go on  
You know but that you go on,  
You know that but you go on, on.

How many cans must I stack up  
to wash you out from my mind  
outta my consciousness?  
How many times must I cash out  
to bring you back the check  
fat offa my slenderness.

slenderness slenderness slenderness,  
fire!  
slenderness slenderness slenderness,  
fire!  
slenderness slenderness slenderness,  
fire!
