

Soul II Soul, I Care Soul li Soul

i would not want to live in a world
say that i would not want to live in a world without you
say that i love a higher love, so high a love it lets my spirit see

i would not want to live in a world,
say that i would not want to live in a world without you
soul to soul i love you
say that i would not want to live in a world without you

soul to soul i love you
soul to soul i care
i would not want to live in a world if you're not there

say that i love a richer love. so rich a love it cannot be
continued
say that i love a stronger love.
so strong nothing else remains

i would not want to live in a world, say that i would not want to
live in a world without you
soul to soul i love you. say that i would not want to live in a
world without you

soul to soul i love you
soul to soul i care
i would not want to live in a world if you're not there
