Soul II Soul, I Care Soul Ii Soul

i would not want to live in a world say that i would not want to live in a world without you say that i love a higher love, so high a love it lets my spirit see

i would not want to live in a world, say that i would not want to live in a world without you soul to soul i love you say that i would not want to live in a world without you

soul to soul i love you soul to soul i care i would not want to live in a world if you're not there

say that i love a richer love. so rich a love it cannot be continued

say that i love a stronger love. so strong nothing else remains

i would not want to live in a world, say that i would not want to live in a world without you

soul to soul i love you. say that i would not want to live in a world without you

soul to soul i love you soul to soul i care i would not want to live in a world if you're not there
