## Souljahz, Alpha

Vs.1 Can you hear Angelic voices fill the halls Emotions bouncing off the walls As the tears hit the ground you feel You feel strange Overcome by deception and pain dont you see if you look to the three trinity there's so much more you can be.

Everywhere I look around me, they surround me underwater flows tryin' to drown me, What? Bringin on the evil...wanna clown get cut Let the Holy Word be my sword...give me more What you hangin around here stalkin me for? I be the souljah and life be the war Christ be the teacher and life be the test Satan be the bullet...got the bullet proof vest And you don't know His name, oh what a shame sold your soul for the fame, now your king for a day Cry when i pray and every single tear filled with the lost generation of peers...weed headed regrettin' what you done done Gettin drunk, throwin up, yeah thats fun How you gonna explain that o your son? Long live the King and His Kingdom come

Vs.3 I look around me See the world trippin, dippin, and divin I find myself slippin Father forgive us for the sins that we be commiting the evil that lies within lust, greed, hate Sexually and spiritually fallin in the grave that we diggin for ourselves different times, different ways, different phases of life Strife, cut with a sharp knife Lyrical incisions, yo, spirtual decisions..what? A revolutions comin but you neva wanna listen... What you think its a game? Rappin 'bout money, sex, and fame Caught up in these wordly ways Frontin cause you bought an iced out Roley with a diamond in it Yo, we all know it Cause in every photograph you neva hesitate to show it, And when you writin your rhymes you neva hesitate to flow it Demonstratin lyrics full of pain Need to change Elevate the level of your brain
