

# Souls, You Won!

someone may want to get a hold on you  
you're baning your head against the wall again  
he's always one step ahead  
who knows what he's planning next

DO DO!  
WAH!  
OH!

if you only could get away  
somehow someway  
is there anywhere you could hide?  
you've been looked after all your life

DO DO!  
WAH!  
OH!

I'm in the position where I've got  
to put myself in  
in the place of a crazy brain  
if you're cunning I'm insane

SMASH ME!  
SMASH IT!  
YOU WON!  
YOU WON
