Souls, You Won!

someone may want to get a hold on you you're baning your head against the wall again he's always one step ahead who knows what he's planning next

DO DO! WAH! OH!

if you only could get away somehow someway is there anywhere you could hide? you've been looked after all your life

DO DO! WAH! OH!

I'm in the position where I've got to put myself in in the place of a crazy brain if you're cunning I'm insane

SMASH ME! SMASH IT! YOU WON! YOU WON
