Feels like nothin' is real When all you
can hear is sorry again Please don't
take my fraud As i finish my thoughts
for you It's my new favorite word it's a
three letter hurt from inside As I try
to forget It's as far as i'll get to
havin' you Complicated - cannot find the
words Let your mind fall down
Sophisticated - love the way, it hurts
Let your mind fall down ! It's a long
distance zoom As I pan through, the room
for you As I try to forget it's as far
as I'll get to havin' you Tell me -
write it down - long distance zoom !
Complicated - cannot find the words Let
your mind fall down Sophisticated - love
the way it hurts Let your mind fall down
