

# Soulwax, Long Distance Zoom

Feels like nothin' is real  
when all you can hear is sorry again  
please don't take my fraud  
as I finish my thoughts for you  
it's my new favourite word  
it's a three letter hurt from inside  
As I try to forget  
it's as far as I'll get to hatin' you

Complicated - cannot find the words  
Let your mind fall down  
Sophisticated - love the way, it hurts  
Let your mind fall down!  
It's a long distance zoom

As I try to forget  
It's as far as I'll get to hatin' you  
Tell me - write it down - long distance zoom!

Complicated - cannot find the words  
Let your mind fall down  
Sophisticated - love the way it hurts  
let your mind fall down
