

Soundgarden, Girl U Want

Long time coming
It seemed to take me through
Long time coming
Many served the few
And long to taste the shame
That bows down before you
Long time coming
It seemed to get me by
Long time coming
It seemed to satisfy
You longed to taste the shame
That everybody tries
Shame shame throw yourself away
Give me little bits of more than I can take
If it sits upon your tongue or naked in your eyes
Give me little bits of more than I can try
Long time coming
It seemed to take me through
Long time coming
Many served the few
And long to taste the shame
That bows down before you
Shame shame throw yourself away
Give me little bits of more than I can take
If it sits upon your tongue or naked in your eyes
Give me little bits of more than I can try
