

# Soundgarden, He Didn't

He did nothing perfectly  
He did nothing quite well  
He did nothing perfectly, much better than anyone I've ever seen  
He did nothing all the time  
He did nothing constantly  
He did nothing everyday, more often than anyone I've ever seen

He failed, and he failed miserably  
He failed, and he failed quite bad  
He failed, and he failed miserably  
What's better he never even had to try
