Soundgarden, Heretic

Lyrics by Hiro Yamamoto Music by Kim Thayil

Heretic, burn at the stake Witch float like a log

Wine from the blade on the night of the full moon Voices that call spirits in waiting Sharing the drink of the bond A broth of roots and charms Spells under a twisted tree

Heretic, burn at the cross Witch, float like a log

Flask over fire, from cobwebs of cellars Turning metal into gold A secret till the last word's untold

Accused and convicted For nothing I suffer your fear Nailed to a burning cross Heretic, Heretic
