

# Soundgarden, Into The Void

Holy water on the brain and I'm losing sleep  
Holy bible on the night stand next to me  
As I'm raped by another monkey circus freak  
Trying to take my indignance away from me  
Holy water is rusting me  
Bloody murder is the best I've heard her scream  
Holy devil in the flesh some might believe  
And they take thine majesty so seriously  
It's the big lies that are more likely to be believed  
Holy water is rusting me  
Damn the water if it's life you want to drink  
Mind your mother if it makes you feel at ease  
As you're raped by another monkey circus freak  
It's the big lies that are more likely to be believed
