

# Soundgarden, Searching With My Good Eye Closed

[Music & lyrics - Cornell]

Painted blue across my eyes  
And tie the linen on  
And I'm on my way  
Looking for the paradigm  
So I can pass it off  
Is it on my side  
Is it to the sky  
Looking to the sky and down  
Searching for a ground  
With my good eye closed  
If I took you for a ride  
Would you take it wrong  
Or would you make it right  
Looking for a pedestal  
That I can put you on  
And be on my way  
Is it to the sky  
Looking to the sky and down  
Searching for a ground  
With my good eye closed  
Stop you're trying to bruise my mind  
I can do it on my own  
Stop you're trying to kill my time  
It's been my death since I was born  
I don't remember half the time  
If I'm hiding or I'm lost  
But I'm on my way
