Oh Oh

Out on the weekend

Out on the weekend

Out on the weekend

Out on the weekend

[Drew:]

Let them in, get the lights, let party begin

Mix a little love, get the mood jumpin

From New York to Miami by ten

I think I'm ready to go

High, every time that we hit up our spot

See everyone in line, and they payin a lot

Cept their payin for the night

cuz the drinks are fixed

But the music is free

You want it, you got it

You need it, but you know you gotta have it boy

The music is freein'

(Out on the weekend, Out on the weekend, weekend)

This is for the girls comin' from NYC

(I'm feelin' you like yous family)

And everybody down from LA to BC

(Rockin' to the same old CDs)

This is for the kids in the clubs and the street

(Talkin' bout you work three deity)

Get on the dance floor where the music is free

Slip, gone until the dawn's gone with me

Gone until the dawn's gone with me

Where the music is free

Slip, gone until the dawn's gone with me

(Out on the weekend, on the weekend, weekend)

[spoken:]

Now all my ladies,

Move it to the front,

show 'em what you got

Ooh, ooh, ooh

Oh, Oh ooh

Oh, Oh ooh

Oh, Oh ooh, ooh, ooh

Fellas?

Oh, like that

(scratched:

All my ladies, A-A-All my ladies-Oh... ah

All my ladies, A-A-All my ladies-Oh... ah

Oh....

Oh, Oh (x4)

[Mario:]

And all my ladies say (Ah, Ah)

And all the fellas say (Ah, Ah)

Everybody say (Ah, Ah)

Come dance with me, ohh (Ah Ah)

[Drew:]

And they say we all

Dance like this, we have the men in bed and off

Till there mornin', there we go lettin off

Tyler's droppin onto the table top

Once again, you can shake your thang and there aint no cops

This is for the girls comin' from NYC

(I'm feelin' you like yous family)

And everybody down from LA to BC
