

South Park, Christmas Time In Hell

Well i'll tell you what..
Maybe we should have ourselves
a little christmas, right here..
C'mon everybody, gather 'round!

String up the lights and light up the trees
We're gonna make some revelry..
Spirits are high, so I can tell
It's Christmas time in hell!
Demons are nicer as you pass them by
There's lots of demon toys to buy
The snow is falling, and all is well
It's Christmas time in hell!

There goes Jeffrey Dahmer
With a festive Christmas ham..
After he has sex with it
He'll eat up all he can..
And there goes John F Kennedy
Carolling with his son..
Reunited for the holidays
God bless us, everyone!
Everybody has a happy glow
Let's dance in blood, and pretend it's snow..
Even Mao Tse Tung is under the spell
It's Christmas time in hell!

Satan: Adolf, here's a present for you!
Adolf: Oh? Ein Tannenbaum!
Satan: Yes, Ein Tannenbaum!

God cast me down from heaven's door
To rule in hell forever-more
But now i'm kinda glad that I fell
'Cos it's Christmas time in hell!
Here's a rack to hang the stockings on
We still have to shop for Genghis Khan
Michael Landon's hair looks swell
It's Christmas time in hell!

There's Princess Diana
holding burning mistletoe
Over Poor Gene Siskel's head
Just watch his weenie grow!
For one day we all stop burning
and the flames are not so thck
All the screaming and the torture stops
As we wait for old St Nick!

So, String up the lights and light up the trees
We're damned for all eternity..
But for just one day, all is well
It's Christmas time in hell!
Get a toast together and make it quick
We've gotta make room for Andy Dick..
Wake his mother and ring the bell..
It's Christmas time.. [christmas time x3]
Christmas time.. [christmas time x3]
It's Christmas time in hell!
..Merry Christmas, Movie house!
