

# South Park, Come Sail Away

I'm sailing away  
Set an open course  
For the virgin sea  
Cause I've got to be free  
Free to face the life  
That's ahead of me  
On board I'm the Captain  
So climb aboard  
We'll search for tomorrow  
On every shore  
But I'll try  
Oh Lord, I'll try  
To carry on

I look to the seas  
Reflections in the waves  
Spark my memory  
Some happy, some sad  
I think of childhood friends  
And the dreams we had  
We lived happy forever  
So that story goes  
But somehow we missed out  
On the pot of gold  
But we'll try  
Best that we can  
To carry on

A gathering of angels  
Appeared above my head  
They sang to me  
Their song of hope  
And this is what they said!

Come sail away  
Come sail away  
Come sail away with me  
You guys  
Come sail away  
Come sail away  
Come sail away with me

Come sail away  
Come sail away  
Come sail away with me  
You guys, huh  
Come sail away  
Come sail away  
Come sail away with me

Yeah!  
I thought that  
They were angels  
But to my surprise  
They climbed aboard  
Their star ship  
And headed for the skies!  
They said..

Come sail away  
Come sail away  
Come sail away with me  
You guys  
Come sail away

Come sail away  
Come sail away with me  
Everybody now  
Come sail away  
Come sail away  
Come sail away with me  
You guys, guys guys guys  
Come sail away  
Come sail away  
Come sail away with me  
Make it funky now..

Hey, you're screwing up my song  
Hey, what's going on?

No, no, no, it's like this!  
ROCK IT!  
Come sail away  
Come sail away  
Come sail away with me  
You guys  
Come sail away  
Come sail away  
Come sail away with me  
You guys, seriously  
Come sail away  
Come sail away  
Come sail away with me  
Come sail away  
Come sail away  
Come sail away with me  
Come sail away  
Come sail away  
Come sail away with me  
Come sail..  
Come sail away  
Come sail away  
Come sail away with me
