

# South Park, Come Sail Away - Eric Cartman

I'm Sailing Away  
Set an open course for the virgin sea  
'Cause I've got to be free  
Free to face the life that's ahead of me

On board I'm the captain  
So climb aboard  
We'll search for tomorrow  
On every shore  
And I'll try, oh Lord, I'll try  
To carry on

I look to the sea  
Reflections in the waves spark my memory  
Some happy, some sad  
I think of childhood friends  
And the dreams we had

We lived happily forever  
So the story goes  
But somehow we missed out  
On the pot of gold  
But we'll try best that we can to carry on

(yeah)

A gathering of angels appeared above my head  
They sang to me this song of hope and this is what they said

Come sail away  
Come sail away  
Come sail away with me  
(you guys)

Come sail away  
Come sail away  
Come sail away with me

Come sail away  
Come sail away  
Come sail away with me  
(you guys ha)

Come sail away  
Come sail away  
Come sail away with me

I thought that they were angels  
But much to my surprise  
We climbed aboard their starship  
And headed for the star they said'

Come sail away  
Come sail away  
Come sail away with me  
(you guys)

Come sail away  
Come sail away  
Come sail away with me  
(everybody now)

Come sail away  
Come sail away  
Come sail away with me  
(you guys seriously)

Come sail away  
Come sail away  
Come sail away with me

(Chef:)Make it funky now!

(Cartman:)Hey, you're screwin' up my song  
Hey, What's goin' on

(Chef:) Come sail away  
Come sail away  
Come sail away with me children

Come sail away  
Come sail away  
Come sail away with me children

(Cartman:)No, no, no, no, like this, like this!!!

Come sail away  
Come sail away  
Come sail away with me  
(you guys can't here ya')

Come sail away

Come sail away
